Hi Thanuja and Alexander,

I wanted to thank you both for the time you dedicated to me the other day. I am sending this message only to Alexander's email adress, as I don't have Thanuja's contact information.

In the meantime, I circulated a survey among the club members asking about the main areas they are interested in, in terms of topics they would like to delve into. Below is a list, ordered from most selected to least selected. A total of 41 out of 60 members participated.

Programmes	Preferences
1 Strategy programmes	21
2 Leadership programmes	20
3 Finance programmes	16
4 Entrepreneurship and innovation	16

5	Artificial Intelligence	12
6	Cyber security	6
7	Sustainability, ESG programmes	6
8	Digital finance	6

I wish you a great rest of the day and week

Marco Cimmino
